

A Prayer and Reflection

God as we behold your majesty our mouths are silenced. Your Glory O Lord is forever the same, shining through your creation. Your Honour O Lord reaches to the sky, magnified in the wonders you perform. Your Face we see as we look into the wonders of the oceans and the seas. God help us in our lives to be worthy of all you are and all you have. God endows us with grace to reflect all that you are and all that you do in us. God enable us to forsake all and follow your will as children who know their purpose in you. God reveal truth to our hearts as only you can as you are the author of all truth. Delight yourself in us O Lord Joy over us for this is our desire, Father Be glad in all that we do for this is what we pray Reveal yourself in us and through we pray
